

High School and College Mission Trip

July 5-15. Our training will begin in Cascade Idaho about 70 miles north of Boise. We will be preparing our hearts in a camp-like atmosphere with awesome worship and a loving YWAM team for the first four days. This will be to ready us in all ways for six days of outreach to Mormons in Salt Lake City, Utah. The cost of the trip is **\$650** (Last week was incorrect) each before applying youth budget and fundraising. The amount needed to raise will probably be around **\$300**.

Junior High Mission Trip

July 25-31. This summer our Junior High students will be heading north/west of Winslow, AZ to a Navajo reservation in Luepp, AZ. We will be working on physical projects like landscape, cement, stone and brick work. We will stay in bunks on the reservation and work alongside the local churches. The cost of the trip is not clear yet but my educated guess is around \$150 before fundraising. The same fundraisers for the high school trip will be available for the junior high.
