

Dear Kingdom Ambassador,

It's hard to believe we have left 2008 and begun the 2009 New Year. Much has been achieved in the past year, but there is so much more for our ministry to accomplish for the 10/40 Window nations in 2009.

Please remember the special gift the Lord has given WINDOW INTERNATIONAL NETWORK this year. The *Maclellan Family Foundation* has blessed WIN with a \$70,000 Matching Grant. You and your family can participate in this miraculous gift. For every dollar you invest into the ministry of WIN, *The Maclellan Foundation* will match your gift dollar for dollar.

This matching grant has come at a very critical time for the 10/40 Window. Your Kingdom partnership allows us to continue to strategically inform, equip, and mobilize the global Body of Christ to pray targeted and effective prayers for these 68 nations. We are living in dangerous times, but your partnership is resulting in powerful evangelism and discipleship causing unprecedented church growth in the 10/40 Window.

South African apostolic leader and author, Andrew Murray, says: *The man who mobilizes the Christian church to pray will make the greatest contribution to world evangelization in history.*

*I am counting on you to partner with WIN to further serve the Body of Christ. Please mail your donation to WIN or donate online at www.win1040.com/donate to help us match this grant by **January 31, 2009**.*

I'm looking forward to partnering with you again this year to further advance the Kingdom of God in our beloved 10/40 Window.

Yours for the 10/40 Window,
